

WELCOME LETTER

Welcome to MRTherapy, LLC.

I appreciate you taking a moment out to read this. I wanted to thank-you for choosing us to provide for your counseling needs and goals. I appreciate and acknowledge the courage it takes to want to make a change, and I am delighted, honored and privileged to be working with you through this journey.

I see my clients as collaborators to the therapeutic process. I utilize the approach of integrative therapy utilizing Cognitive Behavioral Therapy (CBT), Play Therapy: Child-Centered Play Therapy techniques, as well as Brainspotting/Bodyspotting Therapy at an increased rate. MRTherapy, LLC is a place that fosters help and assistance in times of need and clarification. If you have been diagnosed, MRTherapy, LLC helps clients to learn how to live free from feeling stuck. If I cannot help, I will get you to the appropriate place that can provide the appropriate service for my clients. I believe that people are relational and it is through our family of origin and culture that helps us to understand ourselves and who we want to become. My focus does not stay on who we are, but who we want to become.

Often my clients want to share with others about their progress and success. You will have the most success by completing the goals you came to achieve. I welcome you to share your progress with others. Please know that should you choose to refer a potential client to work with me that both of your information is confidential and protected under HIPAA guidelines. MRTherapy, LLC does not share information with others without your consent.

I very much welcome and appreciate new clients into my practice, so I can also help them achieve the goals that matter to them most. I look forward to getting started with you at your first appointment. Should you have any questions prior to our appointment please feel free to email me at admin@mrtherapy.net.

Thank-you,

Michele Ramey, LMFT
